

PARENT ASSISTANT ACCOUNT REQUEST

Crestview Local Schools has implemented the Parent Assistant Module of the eSIS software system.

What this means to you, as a parent, is that you will now be able to access certain information regarding your student(s) through the internet on your own computer. Attendance information, class assignments, and report card information will be available to you through the Parent Assistant website.

Each set of participating parents is assigned a log-in and password. A signed request is required before the log-in information is provided. If you choose to participate, we will send you a Parent Log-in and password along with basic instructions to access the Parent Assistant website.

Please complete the form below and mail it to: Parent Assistant Request, Crestview Local Schools, 44100 Crestview Road, Suite A, Columbiana, Ohio 44408 or bring it to the superintendents office. Your account information will be mailed to you after we receive your request.

Please create a Parent Assistant Account for me:

Name (please print) _____

Names of your children attending Crestview Local Schools

Name	Relationship to child	Grade
_____	_____	_____
_____	_____	_____
_____	_____	_____
