*Whereas*, our country’s future depends upon providing quality education to all students; and  
*Whereas*, teachers spend countless hours preparing lessons, evaluating progress, counseling and coaching students and performing community service; and  
*Whereas*, our community recognizes and supports its teachers in educating the children of this community.  
**Now, Therefore, Be It Resolved**, that the Crestview Local Board of Education proclaims May 6-10, 2013, to be TEACHER APPRECIATION WEEK; and  
**Be it Further Resolved**, that the Crestview Local Board of Education strongly encourages all members of our community to join with it in personally expressing appreciation to our teachers for their dedication and devotion to their work.

6. Recommend: The Board adopt the following resolution to oppose Governor Kasich's proposal to expand the educational choice voucher program:

*Whereas*, Governor Kasich's biennial budget (HB 59) proposes to expand the Education Choice Scholarship Program through two new programs that will significantly increase the number of publicly-funded vouchers for students to attend private or parochial schools; and

*Whereas*, one of the programs provides private or parochial school tuition vouchers to any entering kindergarten student of a family with a household income less than 200 percent of the federal poverty level, to be used at the parent's choice of participating private or parochial school ; and

*Whereas*, the following year, such vouchers would be expanded to include students in both kindergarten and first grade, totaling \$25 million over the biennium; and

*Whereas*, such vouchers would be granted without regard to the academic performance or quality of the public school that the student is assigned to attend; and

*Whereas*, the second voucher expansion proposed by the Governor offers EdChoice vouchers to students enrolled in school that fail to meet the Third Grade Reading Guarantee for two successive years; and

*Whereas*, the operation of the proposed programs would effectively reduce funds from the already financially beleaguered local public school districts, resulting in fewer resources for the education of remaining students;

**Now Therefore Be It, And It Is Hereby Resolved**, that the Crestview Local Board of Education does hereby express its opposition to these provision in HB 59; and

**Be It Further Resolved**, that the Crestview Local Board of Education expresses its opposition to any legislation that seeks to transfer public dollars to support private education; and

**Be It Further Resolved**, that the Treasure be directed to spread this resolution upon the minutes of the Board of Education and that copies of the resolution be forwarded to the Governor and member of the Ohio General assembly.
