2. Recommend: The Board approve the Nutritional Standards Report:

The district utilizes NEOLA to assist in policy making and to ensure that the district follows state standards. The two policies that focus on nutritional standards adopted by the state and enforced by the district are PO8510 (Wellness) and PO8500 (Food Service) (policies are attached). In order to comply with the standards, the district utilizes many different techniques and internal safeguards. The district only purchases from vetted vendors who ensure that all products meet nutritional standards and that labeling of their products is clear and concise. The daily availability of Fresh Fruits and Veggies, that are sources as locally as possible, helps encourage students to make healthier decisions about their meals. All the recipes are dietician approved, and with the utilization of an online menu, all nutritional information is available for every meal. The district also strictly enforces the Smart Snack guidelines and ensures that any food or beverage served during the restricted times complies with those standards. The cafeteria also performs Nutrition Education in the district at minimum of 2 times per year and has many internal programs that are designed to help students make healthier choices and to introduce them to foods that may be out of their normal diet. The district also strictly enforces an approved HACCP plan and mandates that employees attend periodic training on the HACCP plan and on food safety in general. In addition to the food safety training, the employees must meet the USDA required minimum hours for professional development on a yearly basis. Overall, the district has many programs and policies in place to ensure they are meeting the state standards and the district strives to not only meet but exceed those standards.

3. Recommend: The Board approve the resolution on Property Transfer.

WHEREAS, Amended House Bill 166 of the 133rd General Assembly (HB 166) known as Ohio Revised Code 3311.242 (R.C. 3311.242) was passed by the General Assembly and signed into law by Governor Mike DeWine on July 18, 2019, effective October 17, 2019; and

WHEREAS, R.C. 3311.242 creates a new process by which electors residing in a school district with territory in an eligible township may initiate and consummate the transfer of school district territory to another school district; and

WHEREAS, prior to this enactment of R.C. 3311.242, all Ohio school district territorial transfers were governed by R.C. 3311.06 and R.C. 3311.24, in conjunction with Ohio Administrative Code (O.A.C) 3301-89; and

WHEREAS, there appears to be a serious lack of transparency in how R.C. 3311.242 was inserted into HB 166, who is responsible for it, who wrote it and how it got into the final bill; and

WHEREAS, the newly enacted R.C. 3311.242, unlike R.C. 3311.06 and R.C. 3311.24, provides no due process measures for either a transferring or receiving school district to challenge a proposed transfer on the grounds that such

transfer will violate students' equal protection rights; will result in financial hardship for students and create and perpetuate economic inequality; and/or create and perpetuate inequality in residential segregation; and

WHEREAS, R.C.3311.242 can result in student enrollment, district finances and district boundaries being a perpetual moving target; and

WHEREAS, the tax payers in the transferring district will have no voice in the decision even though it may have economic consequences for those residents;

NOW THEREFORE BE IT RESOLVED:

1. The Crestview Board of Education supports the Plain Local Board of Education's efforts to challenge R.C. 3311.242 and the serious consequences it presents to public school districts.
2. That our state legislators immediately introduce legislation to repeal R.C. 3311.242.
