Dear Rebel Nation:

I just wanted to reach out and update everyone on the numbers: There are some encouraging signs both here and in the community concerning COVID-19

## School/Community

- For the last two weeks our positive case numbers have dipped below our beginning of the year averages. In addition, community cases and hospitalizations have begun to decline.
- We had zero students quarantined this week and only 2 students had to be quarantined in the last two weeks.
- Our Overall Absentee rate is now running at 10% absent. We, at our high point, had absentee rates ranging from 15 – 20% the two weeks after Labor Day. Thus we have more kids in school. Here are absences per building the last 3 weeks.
