Dear Rebel Nation:

This morning I sat in a meeting with the Health Department. Here is the latest update.

## Masking at school

Masks are **strongly recommended** for all students and staff in a k-12 school. **This is not a requirement**, but a scientific best practice encouraged by health experts.

## Masking on a School Bus

Masking is **required** federally on all public transportation, including **public school buses**. This is again a federal requirement that is out of our control.

We thank everyone for your cooperation. We are blessed at Crestview to have two nurses and a fulltime medical practice on our campus. We will continue to address the whole health of all individuals to lower the infection of all diseases, especially flu and cold. We need you here daily unless you are sick! The best thing that all individuals can do is to come to school daily and to only stay home with illness. Otherwise, we are here in class fulltime to address the **learning needs** of our children.

Sincerely yours,

*Matthew T. Manley*
